Human Resource Development Program Description

The Human Resource Development (HRD) Program prepares professionals who will be responsible for the training, education, and development of adults, in settings such as business, industry, health care, social services, and government. Students in the program will be provided opportunities to develop the knowledge and competencies necessary to meet the increasing needs that organizations have for HRD professionals. Competencies that have been identified by professional organizations have been carefully considered in the development of specific objectives for the course work in the program.
