

Beyond the Ordinary...

The **Fire Science Technology** program at **College of Lake County** effectively prepares students for success in the industry. For those students who want to expand their opportunities, Southern Illinois University Carbondale's **Public Safety Management** degree (*formerly Fire Service Management*) at **University Center of Lake County** can provide the training and courses necessary for further career advancement.

With SIUC's **Capstone Option**, qualifying students have an **advantage**. Capstone reduces University Core from 41 to 30 hours, which results in a true 2+2 transfer experience.
