II. Membership Change/Withdrawn Programs

Pages 82 & 102

**Master of Legal Studies
Certificate of Christian Ministries
Trinity International University**

Since we went to press, Trinity International University has notified us that they have discontinued the Certificate in Christian Ministry that they had been offering at our Waukegan site. They have also withdrawn from UC membership. This means that the online Master's in Legal Studies that they added to the University Center program array will no longer be counted as one of our offerings. TIU continues to offer that program, just as they continue to serve Lake County through their main campus in Deerfield.
