

BACHELOR OF SCIENCE IN MANAGEMENT (BSM)

NATIONAL
LOUIS
UNIVERSITY

The Bachelor of Science in Management is distinguished by its flexibility, relevance and focus. Our curriculum is applications-oriented, drawing upon real world examples including the experiences of our students. Focused on developing managers and supervisors who can lead and innovate, motivate and negotiate, NLU's curriculum reinforces the need to establish positive, productive relationships in the workplace. Our faculty—the majority of whom have practical business experience—are focused on you and your success.
