Plus general education requirements.

The Bachelor of Applied Science in Management (BAS) Degree is designed specifically for working adult students who possess work experience in a vocational or technical field and have an Associate of Applied Science degree or comparable educational credentials in an applied science or technical field. The program is designed to build upon vocational/technical foundations and work experience in order to further personal and professional career objectives. Olivet recognizes the value of technically trained people and the need to earn a bachelor's degree to advance careers and will transfer up to 82 hours of an A.S. or A.A.S. degree and apply them as elective credit.

TARGET AUDIENCE:

Working adult students who possess work experience in a vocational or technical field and have an Associate of Applied Science degree or comparable educational credentials in an applied science or technical field.

ADMISSION REQUIREMENTS:

Candidates may transfer up to 82 hours of credit from an accredited college or university with a GPA of 2.0 or better. Admission to the program requires proof of high school graduation or GED certificate. In order to graduate, students must earn a total of 128 credit hours and complete the Business Administration curriculum, meet Olivet's General Education requirements including 40 hours of upper division coursework and two Olivet Bible classes, with a GPA of 2.0 or above.

COST:

BAS program cost is \$15,740 which includes the 20% discount. There is no application or evaluation fee. There is \$100.00 graduation fee.
