

BACHELOR OF SCIENCE IN PUBLIC SAFETY MANAGEMENT

SIU Southern Illinois
University
CARBONDALE

The BS in Public Safety Management (PSM) Bachelor program is designed to provide advanced practical course work in the areas of FIRE, EMS and EMA service-related management and supervision. The program trains individuals to identify, analyze and resolve problems within their discipline as it pertains to the labor force, fiscal aspects, data analysis, legal issues, and human resources management. That enhances the successful graduate's career in the public safety industry, and prepares the graduate in the Fire/EMS and EMA profession. The program is an evolution of the previously-offered BS in Fire Service Management.

ADMISSION REQUIREMENTS:

Minimum GPA 2.0/4.0 (2.25/4.0 and AAS related to public safety to be considered for Capstone program. Prior formal training equivalent in a public safety related AAS, prior public safety related licensure or certification or prior employment in a public safety related field. Contact the Site Program Coordinator for more information.
