

MASTER OF SCIENCE IN CIVIL & ONLINE ENVIRONMENTAL ENGINEERING (MSCEE)

CONTACT PERSON(S):

Frank Hoskinson
Director
Office of Online and Professional
Engineering Programs
Phone: (217) 333-6634
E-mail: engr-o2pep@illinois.edu

ADDRESS:

University of Illinois at
Urbana-Champaign
400 Engineering Hall MC-268
1308 West Green
Urbana, IL 61801

WEBSITE:

[http://engineering.illinois.edu/
online/](http://engineering.illinois.edu/online/)

Designed for those with an interest in construction management, transportation engineering, and infrastructure. Courses are also available in: construction materials, environmental engineering and science, environmental hydrology and hydraulic engineering; geotechnical engineering; and structural engineering.

TARGET AUDIENCE:

Individuals interested in completing an MS degree in mechanical engineering or taking courses for professional development. Individuals must have a BS degree in mechanical engineering from an ABET accredited institution.

ADMISSION REQUIREMENTS:

- Minimum GPA – 3.0/4.0 scale.
- GRE is required.
- TOEFL scores for international applicants.
- Complete Graduate College application with \$70 fee for domestic applicants and \$90 for international applicants.

DELIVERY MODE:

Fully online.

REQUIRED EQUIPMENT

- Internet Connection (broadband is highly recommended)
- "Fast" (any PC 4 years old or newer) computer, speakers, and sound card
- Windows OS, Mac, or Linux systems are options when taking I2CS courses.
- Web browser (Chrome, Edge, Firefox)
- Lecture Media is distributed as Flash video and MP3 files. The Flash player is required to view lecture content.

Recommended Equipment

- Scanner

TOTAL HOURS NEEDED:

36 hours of coursework and no thesis.

COST:

Tuition and fees are posted at <http://engineering.illinois.edu/online/> on the "Tuition and Fees" page when available.

REGISTRATION PROCEDURE:

Contact the Office of Continuing Engineering Education at (217) 333-6634 or visit the website at <http://engineering.illinois.edu/online/> and click on "Registration."

ACADEMIC CALENDAR:

Regular UIUC semesters beginning August, January, and May.

PAYMENT:

American Express, MasterCard, Visa, and Discover.

LOCATION(S) OF COURSES:

Entirely online, but exams must be proctored. The University Center of Lake County is an approved testing center.

TEXTBOOK PURCHASE:

UIUC Illini Union Bookstore at <http://www.uofibookstore.uiuc.edu>

TRANSFER HOURS POLICY:

Individuals may transfer, with approval from the graduate advisor, eight hours of credit from another institution. Up to 12 hours of UIUC credit taken prior to admission may be applied to a degree.

NON-DEGREE COURSEWORK OFFERED:

Students may enroll as non-degree students on a credit or non-credit basis without having to be admitted into the Graduate College.
