

BACHELOR OF SCIENCE IN MANAGEMENT INFORMATION SYSTEMS ONLINE

NATIONAL
LOUIS
UNIVERSITY

Designed for practitioners in information technology who are seeking the skills and perspectives needed to move into supervisory and management positions. Students gain the experience necessary to develop and manage information technology solutions and systems that meet the evolving demands of contemporary organizations.

TARGET AUDIENCE:

- Current or aspiring IS professionals
- Those who wish to apply and manage technology effectively
- Working adults who have finished their Associate's degree (or equivalent coursework)

ADMISSION REQUIREMENTS:

1. Completed NLU application (www.nl.edu/applyonline)
2. Application fee waived with online application <http://www.nl.edu/applyonline>
3. Official transcripts from every college or university attended

Students must have:

1. Completed at least 90 quarter hours (60 sh) with at least a 2.0 grade point average
2. Access to the Internet and a computer running Windows
3. COMPASS Writing and Math examinations taken prior to registration for the second term; official scores for math (44 or better) & writing (65 or better).

Upon admission, students will be assigned an academic advisor to assist them in completing all degree requirements and in registering each term. New students are encouraged to attend a New Student Orientation at NLU.

COST:

<http://www.nl.edu/financialaid/tuitionandfees/>

REGISTRATION PROCEDURE:

NLU staff will hold registration meetings in Lake County. Students may also work individually with an academic advisor by calling 1-888-658-8632, option 2, or contacting advising@nl.edu.

DELIVERY MODE:

Courses are offered online.

ACADEMIC CALENDAR:

The program operates on a rolling start calendar in accordance with NLU's academic schedule.

TEXTBOOK PURCHASE:

Textbooks and software for each course are available online at <http://www.ecampus.com/nlu> and the student is responsible for purchasing books and software in advance of each course start.

TRANSFER HOURS POLICY:

All of the courses in the BSMIS program are designed to be completed at NLU. It is possible that a student might be able to transfer as many as 120 quarter hours (90 semester hours) of transfer credit to the NLU degree. NLU has a 50 QH residency requirement for the BSMIS program, and requires that the final 12 quarter hours be taken at NLU.

TOTAL HOURS NEEDED:

180 quarter hours (120 semester hours).

FINANCIAL AID INFO:

Phone: (800) 443-5522 ext. 5350
Fax: (847) 465-5894
Email: StudentFinance@nl.edu <http://www.nl.edu/StudentServices/finaid/>

SPECIAL CHARACTERISTICS:

While the majority of technology programs focus mostly on hands-on skills (e.g., programming), the BSMIS focuses on how to apply and manage technology effectively in organizations. It covers many of today's most significant business technologies: security, data mining, and enterprise resource planning.
