RES 6600	Research in Education*
EDU 6070	Educational Technology Leadership+
EDU 6080	Applied Project in Educational Technology*
EDT 6205	Educational Technology Hardware and Software+

The *MA Education Technology: Leadership* program is for licensed teachers desiring a career path towards being a technology specialist, technology director, or technology coach. The program prepares teacher-leaders with the competencies required to improve the quality and effectiveness of instructional programs at a departmental, school, or district level. As learners develop skills that are aligned with the national educational standards and performance indicators as set forth by International Society for Technology in Education (ISTE-C, 2012), they develop and assess the impact of technology-based learning experiences. The Master of Arts in Educational Technology enables each student to qualify for the Technology Specialist Endorsement for the State of Illinois by entitlement upon successful completion of the program.

## TARGET AUDIENCE:

Classroom teachers desiring to move into technology leadership

## ADMISSION REQUIREMENTS:

1. Bachelor's degree from a regionally accredited institution.
2. Graduate admission application including an objective statement.
3. Official transcripts from Bachelor's degree (and for any Master's degree earned as well).
4. For regular graduate status, a grade-point average (GPA) of 2.85/4.0 or better in all previous college work, or for probationary status, a GPA of 2.25 to 2.84
5. Two letters of recommendation (preferably one from a college or university instructor) addressing academic proficiency, personal character, and competence and effectiveness in professional work.
