This degree equips students with the insights, skills, and theory to thrive in diverse roles working with and leading groups. This interdisciplinary program combines approaches from psychology, sociology, communications, and cultural and organizational studies to provide a framework for effective professional practice in a variety of settings and graduate study.

TARGET AUDIENCE:

- Students who have 60 or more semester hours and are looking for a flexible bachelor completion program that meets one night a week in the evening.
- Those who seek to advance in their ability to motivate and lead groups
- Those interested in gaining a broader understanding of themselves and interactions with others
- Those thinking they may want to work in a professional role that involves human resources, education and training, organizational behavior, or community services.

ADMISSION REQUIREMENTS:

1. Completed NLU application (www.nl.edu/applyonline).
2. Application fee waived with online application www.nl.edu/applyonline
3. Official transcripts from all colleges/universities attended.
4. Students must have completed at least 90 quarter hours (60 sh) with at least a 2.0 grade point average.

COST:
