## University Center to Offer Seminar Series for School Counselors, Psychologists, and Social Workers

The University Center of Lake County, through its Educators' Center, will offer an eight-session seminar, "Understanding Students' Educational and Social/Emotional Development Needs" for school counselors, psychologists, and social workers. The series will be held at the Center's Grayslake facility on eight Tuesdays from 4 to 6:30 pm from November 2009 through April 2010 and will carry 20 CPDUs for those who complete the program. Dr. Chuck Pistorio, a licensed psychologist with experience in both school and clinical settings will lead the program.

For a complete description of the seminar, a biography of the presenter, and a registration form, visit
