INFO SESSION ON ELMHURST COLLEGE SUPPLY CHAIN MASTER'S DEGREE PROGRAM TO BE HELD JULY 13 AT UNIVERSITY CENTER OF LAKE COUNTY

ELMHURST, Ill., June 16, 2016—[Elmhurst College](http://www.elmhurst.edu) faculty and staff will discuss the College's highly regarded Supply Chain Management master's degree program during an information session on **Wednesday, July 13**, at the University Center of Lake County.

Elmhurst's M.S. in Supply Chain Management gives students expertise in analyzing operations, understanding logistics and transportation, making sound decisions and motivating people. The program emphasizes the strategic importance of supply chain design, planning and implementation, and covers a variety of analytical and technology tools used in optimizing supply chain performance. More information is available at www.elmhurst.edu/scm.

Program specifics:

- Part-time, evening classes
- Can be completed in less than two years
- Built on a cohort (team-focused) model
- Classes begin the week of August 29 at University Center of Lake County

Ask about the special partnership tuition rate. Information about veteran admission and benefits is available at www.elmhurst.edu/admission/veteran.

The Supply Chain Management Information Session will begin at 6:30 p.m. on Wednesday, July 13, at the University Center of Lake County, Room 131, 1200 University Center Drive, Grayslake, Illinois, 60030. Elmhurst College faculty and staff will be on hand to discuss program requirements and the admission process. To RSVP, contact the School for Professional Studies at (630) 617-3300 or sps@elmhurst.edu.
