

FOR IMMEDIATE RELEASE

University Center Open House to be Held October 27

Grayslake, IL (October 7, 2015) The University Center of Lake County will hold an Open House on Tuesday, October 27 from 6 - 8 pm at the University Center's Grayslake facility (1200 University Center Drive). It will be showcase the more than 125 academic options available in Lake County from 20 Illinois institutions for adults who wish to complete a bachelor's degree, earn a graduate degree or pursue professional certificates. In one visit, participants can meet the Center's new preadmission advisor Anani Moy, visit with program representatives to ask questions about curriculum and admission, attend a presentation about juggling work and college, and maybe even win some cash.

All University Center programs are offered via evening or weekend or online study so that working adults can complete degrees without adding lengthy commutes. Tim Panfil of Elmhurst College will present "Back-to-School Balancing Act" at 6:30 and 7:00 pm to provide advice on how adults can successfully add college classes to an already busy life.

WXLC will be broadcasting live from the Open House until 7:30, so prospective students can stop by to meet an XLC radio personality and to try their hands at winning some immediate financial aid from the XLC cash machine.

Call 847/665-4000 for more information or visit www.ucenter.org to register for the event or to download a flyer.
