

CIVIL ENGINEERING MASTER OF SCIENCE

ONLINE

Designed for those with an interest in construction management, transportation engineering, and infrastructure. Courses are also available in: construction materials, environmental engineering and science, environmental hydrology and hydraulic engineering; geotechnical engineering; and structural engineering.

TARGET AUDIENCE:

Individuals interested in completing an MS degree in mechanical engineering or taking courses for professional development. Individuals must have a BS degree in mechanical engineering from an ABET accredited institution.

ADMISSION REQUIREMENTS:

<https://cee.illinois.edu/admissions/graduate>

DELIVERY MODE:

Fully online. Proctored exams at University Center

REQUIRED EQUIPMENT:

- Internet Connection (broadband is highly recommended)
- "Fast" (any PC 4 years old or newer) computer, speakers, and sound card
- Windows OS, Mac, or Linux systems are options when taking I2CS courses.
- Web browser (Chrome, Edge, Firefox)
- Lecture Media is distributed as Flash video and MP3 files. The Flash player is required to view lecture content.

Recommended Equipment - Scanner

TOTAL HOURS NEEDED:

36 hours of coursework and no thesis.

COST:
